

Freeland Baby and Toddler Group

Hello and Welcome!

This group is an informal and relaxed way of getting together with other local parents & carers and to provide fun for your child. Children from birth to 4 years are welcome.

We aim to provide a safe environment for babies, craft activities for older children, and a range of toys for different ages. A drink and biscuit will be provided for your child, and you are more than welcome to help yourself to tea and coffee during the morning.

The session runs from 10am to 11.30am, every term time Monday.

If you are able to offer help in terms of opening up or clearing away, let us know. If you have any ideas for activities or other equipment you would like to see at the group, also let us know. We are open to any suggestions.

Cost of attending is £2.00 per family per week. Donations of biscuits, or other snacks for the children as and when you are able would be gratefully received.

Any queries or suggestions please see or call Claire (883205), Emma (880696) or Nicky (886896).
